

OPERATION ARMA ARROWHEAD

1 WAR... 2 ARMIES... 24 HOURS... ONLY YOU CAN MAKE A DIFFERENCE!

OVERVIEW

Three years after the conflict in Chernarus, portrayed in the original Arma II, a new flashpoint in the Green Sea region heats up and coalition forces led by the US Army are sent to Takistan to quickly restore peace and prevent further civilian casualties.

Players will enlist into various roles within the US Army, from basic infantrymen, through special operatives, to pilots and tank crew in this new installment in the award winning line up of military simulators for PC from Bohemia Interactive.

Theater of war is known, objectives are set, but it is down to the brave soldiers in the field to make a difference.

Players will face some fierce battles and tough choices in this new conflict, coming to your PC in 2010.
